We ask that you arrive early enough to get dressed, have skis ready, and get your Covid screen done before your lesson time so lessons can begin on time.

Temperatures will be taken before lessons and you will be asked the following questions......Have you had any symptoms of Covid in the last week, have you been in contact with anyone with known Covid? If you have a temp of 100 or higher or a "Yes" answer to any of these questions you will be asked to go home.

We ask that if you are even the slightest bit ill that you do not attend lessons that week.

All members will be asked to wear a mask (or pull up your buffs over mouth and nose) while in the gathering area and during lesson instruction.

Once small groups are identified for the lesson and skiing begins you may remove your face covering however we ask that you maintain 6 feet social distancing as much as possible.
